## Why Stay Here

Craven Park is a great place to stay for a night or even a week. The park has many fully functioning sites with electric and water, or for the more rustic campers primitive sites are available. We offer a beautiful view of the pond with plenty of good fishing options. The park is quiet and has walking loop that goes through the woods along the edge of the river. The park is conveniently located within a mile of downtown Bellaire, which has great dining and Richardi Park. Richardi Park has a swimming beach, basketball, tennis, and volleyball courts. All of these reasons make Craven Park a great place to stay.
