 1. Zack's continued employment- Committee recommends that we keep Zack on for one day per month until MCOLS decides we no longer can, which will be most likely 2010. We have the funds in the budget.
 2. ICAC- Committee recommends that we do not renew our contract with ICAC. We have received the benefits that we wanted. Bill has received the extensive training, and now the County is going to pick up the program. We are short handed when he is at training. We have requested that ICAC pay his salary for those two weeks, with no response. This will also put Bill back on patrol for his entire shifts.
